ZIEGLER delivers 3 HLF 20 to the municipality of Planegg

Giengen, July 7th, 2020 – In July 2020 the municipality of Planegg can look forward to three identical HLF 20 with extensive equipment. Within the municipality the vehicles will be distributed to two locations. Planegg has been a ZIEGLER customer for many years and continues to rely on ZIEGLER quality.

The vehicles are part of a procurement in accordance with Bavarian funding guidelines, together with a further HLF 20 for the municipality of Krailling. Thus the total order consists of four vehicles.

The three HLF 20 are mounted on a Mercedes-Benz Atego chassis and have a wheelbase of 4,160 mm. The engine power is 220 kW (299 HP) and they are wrapped in the colour RAL 3026 daylight red. The vehicles also offer some interesting optional extras, such as six breathing apparatuses, Z-Protec Airbag system and a 360° camera system.

A detailed technical description of the vehicles can be found on the following page.
