ZIEGLER receives order for a Z6 to Kortrijk-Wevelgem International Airport

Winschoten, 10.03.2021 – On Wednesday, March 10th 2021, Ziegler Brandweertechneik, a subsidiary of ZIEGLER Group based in Winschoten, Netherlands, received an order for the delivery of a new ZIEGLER Crashtender Z6 to the airport Kortrijk-Wevelgem in Belgium. The vehicle will be delivered in the first quarter of 2022.

The Crashtender will be built on a TITAN 6x6 chassis with steering rear axle and is equipped with a Scania 770 HP V8 engine. Furthermore, the vehicle will be equipped with a 12,000 l water tank, a 1,500 l foam tank and 250 kg extinguishing powder. The Z-Cab AiR is certified according to ECE R 29-3 and therefore guarantees highest occupant protection. The vehicle will be controlled and operated via Z-Control of the latest generation according to the whole ZIEGLER line

About the airport Kortrijk-Wevelgem

The international airport Kortrijk-Wevelgem is based in West-Vlaanderen and has built up a very good reputation as a business airport and has a runway of 2 kilometers. Last year, a brand new taxiway and a platform for aircrafts was built. The central location in Europe supports and strengthens the international appearance of the region. In addition to business air travel, charters also use the airport and maintenance companies of helicopters and airplanes are established.
