## **ZIEGLER** receives further order for up to 60 LF 10 KatS for the State of Hesse

Giengen, February 2021 – Albert Ziegler GmbH with its headquarter in Giengen/Brenz receives another order for up to 60 LF 10 KatS for the State of Hesse. It is therefore the fifth series in a row that the State of Hesse is procuring at ZIEGLER. The last vehicles of the fourth series are expected to be delivered until May 2021. Since 2012, ZIEGLER has therefore delivered 220 vehicles in total to different communities in Hesse.

### **Overview of the already delivered vehicles to the State of Hesse:**

- 2012 - 2014: 50 LF 10 KatS on Mercedes-Benz Atego 1222 4x4 EURO5
- 2014 - 2017: 50 LF 10 KatS on MAN TGM 13.250 4x4 EURO5
- 2017 - 2019: 60 LF 10 KatS on Mercedes-Benz Atego 1323 4x4 EURO6
- 2019 - 2021: 60 LF 10 KatS on MAN TGM 13.250 4x4 EURO6

The production of the vehicles for the 11<sup>th</sup> state procurement campaign extends over the years 2021 to 2023 and includes up to 60 LF 10 KatS, which will be built on a Mercedes-Benz chassis of the type Atego 1327 4x4 EURO 6.

The superstructure and the operating concept are both based on the latest generation of ALPAS and Z-Control.

The basis of the vehicles is always identical. Specific customer requests are possible if they are agreed with the State of Hesse and if the required parts are available at the series production.

The technical data of the vehicles and pictures of the most relevant components can be found on the following pages.
