Ziegler Brandweertehniek receives further order from the Safety Region Utrecht

Winschoten, July 22nd, 2021 - On Thursday, July 22nd 2021, the Safety Region Utrecht placed an official order for the delivery of 23 fire engines type “TLF Basic” and 5 CCFM forest fire fighting vehicles (Camion-Citerne Feux de Forets). The vehicles will be delivered according to a framework agreement between the Safety Region Utrecht and ZIEGLER.

ZIEGLER is very pleased to receive that repeated order. Between 2016 and 2021, ZIEGLER has already delivered 48 fire engines type “Basic”, 12 fire engines type “Compact” and 12 CCFM forest fire fighting vehicles.

The technical data of the vehicles can be found on the following pages.

ZIEGLER already delivered vehicles of these type to the Safety Region Utrecht in 2018
