

Ziegler delivers 100 vehicles to the county Hesse (Germany)

Giengen / Brenz, 10.04.2017 - On Thursday, April 6, 2017 Ziegler delivered the vehicles No. 49 and 50 from the second purchase order of Hessen about 50 emergency vehicles LF 10 KatS. These vehicles were handed over to the fire brigades Eschenburg / Eibelshausen and Herbstein (8th collective order by the county Hesse) at the headquarters of the Ziegler Group in Giengen.

Since 2012, Ziegler has delivered already 100 LF 10 KatS to various fire brigades in Hesse in total. The contract was awarded by the Hessian Ministry of the Interior and sport in Wiesbaden during a collective order.

In the period from 2012 - 2014 Ziegler had built and delivered 50 LF 10 KatS (7th collective order by the county Hesse) vehicles from the first purchase order on Mercedes Benz Atego 1222 AF chassis. The 8th country collective purchasing was executed in the period from 2014-2017. Here, it was also to deliver 50 vehicles on MAN TGM 13.250 4 x 4 BL chassis.

The Ziegler employees are ready for the manufacturing of the 9th collective order by the county Hesse. A new order for up to 60 vehicles Ziegler is again awarded the contract. The construction work approval of the first vehicle is already done on the April, 3rd 2017, the delivery of this 101. vehicle is planned for summer of 2017. The remaining vehicles are then gradually completed and passed to the individual fire brigades in the county Hesse. The production of vehicles for the 3rd collective order extends over the years 2017 to 2019. These are built on Mercedes Benz Atego 1323 AF chassis.

The basic scope of the vehicles is always the same. According to customer requirements options have been made possible and implemented within the framework of the series production.
